

DETAILED ACTION

Allowable Subject Matter

Claims 7-15 are allowed over the prior art of record.

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The prior art of record neither teach nor render obvious the instant application claimed invention as a whole, in particular, the prior art fails to teach "the patterned layer in which isolating material the patterned layer has been mechanically embedded, wherein the isolating material is in contact with the substrate and the patterned layer and surrounds the substrate and the patterned layer" in combination with the other limitations of base Claim 7.

Claims 8,9,10,11,12,13,14 and 15, are also allowed as being directly or indirectly dependent of the allowed base claims 7.
